# SLINGS

## A Guardian Gun Sling | 1601794

The Guardian Gun Sling boasts a neoprene backing that provides superior cushioning and a non-slip grip, keeping your gun comfortably in place during long hunts. The weather-resistant materials and reinforced stitching are built to withstand the toughest conditions, season after season.

- 13.5"x3" Neoprene Pad with Non-slip Backing for Comfortable Fit
- Fully-adjustable with 1.25" Nylon Slider Hardware and Metal Swivels
- Moisture-wicking Neoprene
- Mossy Oak Bottomland Camo

## B Roost Turkey Shotgun Sling | 1601798

Gear up for your next turkey hunt with the Elevation Roost Turkey Gun Sling. This premium gun sling is built to handle long treks through the woods while keeping your shotgun secure and ready for action. The Roost features an ergonomic padded shoulder strap that evenly distributes weight, reducing fatigue during those all-day hunts. Its non-slip backing ensures the sling stays in place, even in rugged terrain. The Roost also includes breathable mesh call pockets that allow your calls to air out but stay on the ready while walking. Built with durable materials, the Roost is ready to last season after season.

- Built-in Rubber Mesh Diaphragm Call Organizer (calls not included)
- Rubberized Non-slip Backing
- High-density Foam Padding
- Adjustable Strap from 24" to 55"

## C Refined Leather Gun Sling | 1601796

Carry your rifle or crossbow in style. This leather sling is adjustable from 40" - 52" with a traditional leather construction. This leather sling has a versatile thumb hole and a shoulder strap for comfortable carry during your hunt or at the range all day long.

- Traditional Leather Construction
- Versatile Thumb Hole
- 17"x2.5" Shoulder Pad
- Adjustable Strap from 40" to 52"

## D Sparrow Gun Sling | 1601797

The Sparrow Sling is a great option for your next hunt. Being fully adjustable with a compact neoprene non-slip pad, you can feel confident as you walk with your rifle or crossbow. With its slim and versatile profile, the Sparrow Sling is great for both youths and adults looking for a light and mobile platform.

- Short Design is Perfect for Small Caliber or Youth Guns
- Fully-adjustable with 1" Nylon Slider and Metal Swivels
- Compact 10.5"x3" Neoprene Pad with Non-slip Backing
- Molded PVC Tip for Durability

# PISTOL CASES/BAGS

## Double Pistol Case | 1601788

The Double Pistol Case is the ultimate storage and transport solution for carrying two handguns and their essential accessories. Designed for durability, organization, and security, this case ensures your firearms are safe, secure, and ready for the range or field.

- Center Divider For Protecting 2 Pistols
- Zippered Accessory Pocket with 4 Magazine Sleeves
- Rugged 900D Shell with Dual-density Padding and 150D Brushed Lining
- Main Compartment Dimensions: 9.5"x8.5"x2.25"

## Pistol Sleeve | 1601780

Our Pistol Sleeve is a no-fuss, straightforward carrying sleeve for a pistol and magazine. It is designed to easily slide into range bags for added convenience and organization.

- Designed to Easily Slide into the Elevation Range Bag
- Holds 1 Pistol and 1 Magazine Sleeve
- 9.5"x7.25"

## Tailwind Range Bag | 1601799

Prepare for every range day with the Elevation Tailwind Range Bag — your go-to solution for organized and efficient gear storage. Built for shooters who demand versatility and durability, this bag is made with a ripstop water-resistant shell and lined internally with Velcro. Featuring a fold-out gun mat with a cleanable PVC interior, the range bag is easy to clean after a long day of shooting.

Laser cut MOLLE lines two sides externally making an adjustable setup. The range bag includes 1 external sleeve pocket and 2 external accessory pockets containing elastic loops. Internally, the range bag features 2 dividers with sleeve pockets and a detachable magazine holder with 4 magazine sleeves. Included is 1 Elevation Pistol Sleeve for transporting your most-prized possession/work horse to the range.

- Laser-cut MGS Gear System on 2 External Sides
- 26" Fold-out Gun Mat with Cleanable PVC that is Heat Resistant
- 1 Pistol Sleeve Included
- Detachable Magazine Holder with 4 Magazine Sleeves
- Internal Dimensions: 19"x10"x9"
- End Pocket Dimensions: 9.75"x7.75"x2"
- Side Pocket Dimensions: 12"x7.75"x2"
